ABOUT UNIVERSITY

With a mission to impart women education, in 1993 Mahatma Jyoti Rao Phoole emerged as an educational institution in Jaipur Rajasthan. MJRP aims for the advancement of knowledge & education through excellence and leadership in Engineering, Architecture, Science, Arts, Commerce, Management, Information technology, Law, Agriculture, Home Science, Fashion Designing, Education, Health Care Science, Allied Sciences Journalism and related areas. The teaching and research faculties of the University have highly qualified professionals, trained in their specialized areas. The University keeps the students informed about potential job opportunities and helps them in making prudent decisions for their future careers.

About Conference

Home Science is a unique discipline, the scope of which prepares young women learners for a career/vocational life in six branches namely Resource Management, Food Service Management and Dietetics, Food Science and Nutrition, Textiles and Clothing, Human Development and Home Science Extension Education and Communication. In the current era of advanced technology, knowledge on the scientific aspects engaling Home Science as a lifestyle oriented subject for the young in ‘New India’ is a dire need – the germane behind the concept of the National Conference.

Theme of the Conference

The National Conference will emerge as a common forum for participants from various disciplines of Home Science on the theme ‘New Innovations in Home Science and Fashion Field’. The primary goal of the conference is to promote research and development activities, scientific information interchange between researchers, developers, students and practitioners working in and around the world. The conference will be held to make it an ideal platform for people to share views and experiences in Home Science and Fashion related areas.

Thrust areas:

- Integrated Medical Nutrition Therapy & Nurture Young India – Challenges and Promises.
- Functional foods and Nutraceutical in Health, Degenerative Diseases and Metabolic Disorders.
- Challenges in Food, Dietary patterns and lifestyle of youth in ‘New India’
- Technological advancement in Textile & Fashion.
- Emerging Global Trends in Life Span Development.
- Child care, Education and Inclusion for a Prosperous Nation
- Empowering Women & Rural India.
- Perspective of Community Development.

About Jaipur

Jaipur is the largest city in Rajasthan and was built in the eighteenth century by Sawai Jai Singh as India's first planned city. Jaipur is a major tourist destination which hosts many attraction like City Palace, Govind Dev ji Temple, Vidhan Sabha, Birla Temple, Janter Manter , Amer Fort, Jaigarh Fort, Nahargarh Fort and wide variety of cuisine. Jaipur is often called the Pink City in reference to its distinctly colored buildings & also famous for traditional crafts like jewellery, metal works, emennalings, tie and dye, stone carving, pottery, leather work and miniatures paintings.
