

LIBRARY

A library is a collection of sources of information and similar resources, made accessible to a defined community for reference or borrowing. MJRPU Libraries provides physical or digital access to material, research papers, journals and books.

MJRPU Libraries has a huge collection of books, periodicals, newspapers, manuscripts, films, maps, prints, documents, microform, CDs, cassettes, videotapes, DVDs, Blu-ray Discs, e-books, audiobooks, databases, and other formats.

Equipped with state-of-the-art technology, the library offers both physical and digital resources to facilitate convenient access to information. The online portal provides access to a wealth of e-books, e-journals, and databases, enabling users to explore scholarly content from the comfort of their devices. Moreover, the library's integrated search system simplifies the process of locating relevant materials, enhancing the efficiency of research and study.

MJRPU Libraries are well equipped with Smart Library Management Software System.

In conclusion, the Libraries at MJRP University stands as a beacon of knowledge, providing a rich array of resources and an inviting environment for learning, research, and intellectual growth. It embodies the university's commitment to excellence in education by facilitating access to information and fostering a culture of curiosity and exploration among its academic community.
