

SPORTS FACILITIES

Our campus at MJRP University is designed to support a vibrant sports culture, with ample space for indoor and outdoor activities. We offer a range of facilities including indoor games such as chess, carrom, and table tennis, as well as outdoor facilities like basketball courts, Badminton courts, Volleyball courts and Cricket & Football grounds. Additionally, our well-equipped gym features a variety of exercise equipment to cater to different fitness needs.

Throughout the year, we organize a series of sporting events and tournaments, including inter-college sports competitions and Inter Zone Sports Tournaments. These events not only add vibrancy to our academic environment but also provide opportunities for students to showcase their talents and compete at various levels. We take pride in nurturing talented athletes who have excelled at the national level.
