*Dear Esteemed Members, Stakeholders, and Colleagues,*

*It is with great pleasure and a deep sense of responsibility that I present to you the updated AIU Rule Book and Standard Operating Procedures (SOP). This document is a comprehensive guide that reflects our collective commitment to transparency, consistency, and operational excellence across the higher education landscape in India.*

*As the apex inter-university organization in the country, AIU plays a pivotal role in fostering academic collaboration, ensuring equivalence of degrees, promoting sports and culture, and upholding the standards of Indian higher education at both national and global levels. In this context, a well-structured and clearly defined set of rules and procedures is not merely a necessity but a cornerstone for effective governance and meaningful engagement with our member institutions.*

*This Rule Book and SOP has been thoughtfully curated to offer clarity on institutional policies, administrative frameworks, membership processes, academic equivalence protocols, and operational procedures. It is designed to serve as a ready reference for universities, regulatory bodies, and all our stakeholders, while also ensuring alignment with national education policies and global best practices.*

*I encourage all members and partners to familiarize themselves with this document and to implement its guidelines with diligence and integrity. Let us continue to work together in fostering an inclusive, innovative, and globally respected higher education ecosystem.*

*Your cooperation and continued support in upholding the principles laid out in this document will strengthen the unified vision we share for India's academic future.*

## FOREWORD

*Sport is more than a contest of strength or skill; it is an education in values. It teaches discipline, resilience, respect for rules, and regard for one another. Within Indian universities, sport has long nurtured well-rounded individuals, where the pursuit of excellence on the field complements the pursuit of knowledge in the classroom.*

*Since its inception in 1941, the Association of Indian Universities (AIU) has provided a national platform for student participation through Inter-University Tournaments. Over the decades, these competitions have come to symbolize youthful energy and healthy rivalry, where winning with humility and accepting defeat with grace are equally cherished.*

*Fairness and consistency have always been safeguarded by a structured framework of Rules and Regulations. The first edition was published in 1945, followed by revisions in 1957, 1964, 1968, 1977, 1985, and 1994—each reflecting the needs of its time and improving practice. This eighth edition consolidates all amendments up to June 2025. It is not merely a compilation of provisions, but a record of collective learning across generations of competition.*

*Inter-University Tournaments remain the cornerstone of AIU's mission, offering young talent a pathway to represent their universities, their zones, and ultimately, the nation at international university competitions. To ensure consistency, transparency, and fairness, AIU has prepared this Handbook of Rules and Regulations with Standard Operating Procedures (SOP). Its purpose is threefold:*

- 1. To provide a uniform regulatory framework for tournaments.*
- 2. To ensure accountability, transparency, and merit-based practices in athlete selection and management.*
- 3. To align Indian university sports governance with national and international best practices.*

*I urge all universities, coordinators, officials, and stakeholders to treat this Handbook as the authoritative reference for AIU tournaments. Its faithful implementation will safeguard integrity, protect athletes, and elevate the standard of university sports in India.*

*On behalf of AIU, I extend gratitude to all universities, zonal coordinators, officials, and partners whose collective efforts continue to strengthen Inter-University sports. Together, we can realize the vision of making Indian universities global leaders in sporting excellence.*

**Dr. (Mrs.) Pankaj Mittal**  
**Secretary General**

## **PREFACE**

*The conduct of Inter-University Tournaments is one of the most significant responsibilities entrusted to the Association of Indian Universities (AIU). These tournaments not only promote competitive excellence but also embody the values of fair play, discipline, and camaraderie among student-athletes across the nation.*

*Over the years, the scale and scope of Inter-University competitions have expanded significantly. With increased participation, the need for a clear, uniform, and transparent regulatory framework has become paramount. To address this, the Sports Division of AIU has prepared this Handbook of Rules and Regulations with Standard Operating Procedures (SOP).*

*This Handbook is designed with the following objectives:*

- To establish binding rules and regulations that ensure uniform eligibility, tournament conduct, and grievance redressal across all zones.*
- To provide Standard Operating Procedures (SOPs) that guide universities, zonal coordinators, officials, and organizers in day-to-day implementation.*
- To decentralize AIU's functioning by empowering Zonal Coordinators and Zonal Sports Boards with defined roles and responsibilities.*
- To promote accountability, transparency, and professionalism at every stage of tournament management.*

*The Handbook has been structured to distinguish clearly between Rules (mandatory governance provisions) and SOPs (practical guidelines). This dual framework ensures that while AIU retains its regulatory authority, universities and organizing bodies are provided with operational clarity and support.*

*I am confident that this Handbook will serve as a comprehensive reference document for all stakeholders in university sports. Its successful implementation depends on the commitment of every university, official, and organizer to uphold both the letter and spirit of these provisions.*

*I place on record my appreciation for the contributions of the AIU Sports Board, Zonal Coordinators, university representatives, and technical experts in shaping this document. Their collective efforts will ensure that Inter-University sports continue to thrive and contribute to India's sporting excellence.*

# **HISTORY AND FUTURE OF THE AIU SPORTS DIVISION**

## **ORIGINS**

The foundations of the AIU Sports Division go back to 1928, when the Inter-University Board (IUB), only four years into its existence, surveyed sports facilities in universities. This led to the establishment of the Inter-University Athletic Board in 1929 at Patna under the leadership of Prof. L.S. Armour (Patna Government College) and Prof. Moinul Haq (Bihar National College). Its founder members included the Universities of Allahabad, Banaras, Calcutta, Dacca, Lucknow, Madras, and Patna, with cricket, football, hockey, and tennis as the first sports conducted.

Although political unrest slowed early progress, the movement revived in 1934. By 1936, universities were conducting regular contests, and in 1939 the IUB resolved to frame uniform rules for Inter-University Tournaments. A rules committee submitted its work in 1940, and in 1941 the Inter-University Sports Board was formally established, with annual meetings held thereafter.

The Board's early mandate included:

- framing eligibility and conduct rules,
- distributing venues,
- instituting merit certificates, colours, and trophies, and
- regulating finances and management of Inter-University Tournaments.

The first Handbook of Rules and Regulations was published in 1944–45, establishing a structured system of competitions that has endured to this day.

## **GROWTH AND CONSOLIDATION**

Post-Independence, the Sports Board expanded rapidly. By affiliating with national sports federations, Indian Universities teams gained entry into national championships. Over time, the programme grew to cover dozens of sports, leading to the creation of prestigious recognitions like the Maulana Abul Kalam Azad (MAKA) Trophy for overall championship.

In 1974, the Inter-University Board was reorganized into the Association of Indian Universities (AIU), and the Sports Board was formally integrated as the AIU Sports Division. Today, the Division remains one of the largest university sports organisations in the world, administering Inter-University Tournaments, preparing Indian Universities teams for national and international competitions, and working with the Ministry of Youth Affairs & Sports and the Sports Authority of India.

## The Future

From its modest beginnings in Patna in 1929, AIU Sports has evolved into a powerful platform shaping India's sporting future. In today's rapidly changing landscape, its role is more crucial than ever:

### 1. **Expanding Reach**

- i) Inter-University Tournaments now engage lakhs of student-athletes annually across more than 60 centers.
- ii) This creates a structured pathway from universities to national and international representation.

### 2. **Global Integration**

- i) Indian Universities teams regularly compete at FISU World University Games, AUSF events, and bilateral competitions.
- ii) University sport has become a direct pipeline for India's international medal prospects.

### 3. **Shift in Emphasis**

- i) The focus has moved from recreation and educational values to performance, professionalism, and high-performance training.
- ii) AIU Sports is adapting to this shift through systematic camps, trials, and transparent selection.

### 4. **Centres of Excellence**

- i) Plans are underway for Zonal and National Centres of Excellence to nurture talent in targeted disciplines.

### 5. **Technology and Transparency**

- i) A new AIU digital platform will handle entries, eligibility, accreditations, and real-time results, ensuring accountability.

### 6. **Partnerships and Policy Alignment**

- i) AIU continues to act as a bridge between universities, national federations, and the Government of India, aligning its mission with Olympic Vision 2036 and national sports policies.

### 7. **Inclusivity and Sustainability**

- i) Adaptive and para-sports are being integrated into the AIU calendar.
- ii) Hosting norms increasingly stress eco-friendly practices and accessibility.

## Conclusion

The journey of AIU Sports Division, from its origins in 1929 to its present role as custodian of one of the largest university sports ecosystems, represents a story of continuity and adaptation. Its mission today is clear: to uphold fairness, inspire excellence, and elevate Indian universities to leadership in global sport.

# **I. INTRODUCTION**

## **1. Mandate of Sports in University Education**

Sports constitute an indispensable and compulsory pillar of university education, integral to nurturing the holistic development of students by cultivating discipline, leadership, and well-rounded personality growth. Within this framework, the Association of Indian Universities (AIU), as the apex body for higher education sports in the country, is vested with both the authority and the responsibility to organize Inter-University Tournaments. These tournaments are not merely competitive events; they serve as powerful instruments for instilling the values of fair play, fostering a culture of healthy competition, and strengthening the bonds of national integration through the collective experiences of student-athletes.

## **2. Rules and Regulations**

In order to uphold uniformity, fairness, and compliance with established standards, the conduct of all Inter-University Tournaments shall be regulated by the Rules and Regulations for Inter-University Tournaments, as formally framed, adopted, and periodically revised by the Association of Indian Universities (AIU). These Rules and Regulations possess binding authority and shall be applicable to all participating universities, their officials, and student-athletes, without exception.

## **3. Historical Authority**

The AIU instituted the Rules and Regulations for Inter-University Tournaments at the inception of the programme in 1941. The first edition was published in 1945, and revised editions were issued in 1957, 1964, 1968, 1977, 1985, and 1994. Thereafter, multiple amendments have been incorporated to address emerging challenges and evolving requirements of the university sports ecosystem. The present edition consolidates all amendments up to June 2025 and shall have overriding force.

## **4. Scope and Magnitude**

University sports under AIU constitute the largest organized sports system in India, encompassing approximately 50,000 colleges and institutes and more than 1,000 universities, with a student population exceeding 20 million. Presently, AIU conducts tournaments in 100 sports disciplines at about 500 venues annually. The competitions shall operate on a two-tier structure consisting of Zonal and Inter-Zonal tournaments, resting upon the foundation of inter-collegiate and intramural competitions conducted by individual universities and institutions. This framework shall serve as the recognized pipeline for nurturing athletic talent for National Sports Federations (NSFs), National Sports Promotion Organizations (NSPOs), and international representation.

## **5. Global Participation and Reforms**

Indian university teams shall actively participate in international competitions organized by the Fédération Internationale du Sport Universitaire (FISU) and the Asian University Sports Federation (AUSF). In pursuit of global competitiveness, AIU shall undertake periodic reforms in tournament structure, eligibility verification, and talent identification systems. Such reforms, once duly notified, shall be enforceable and binding upon all stakeholders.

## CHAPTER II – TOURNAMENT AND ZONE

### 2.1 Organization Bases of AIU Sports

For the effective administration and equitable conduct of Inter-University Tournaments, the Association of Indian Universities (AIU) has established alternative organizational structures through which competitions may be conducted. These bases are designed to ensure broad participation, balanced representation, and logistical feasibility, while fostering competitiveness across diverse regions of the country.

The organizational bases are as follows:

#### (a) All-India Basis

All eligible universities across the nation shall participate directly in a single, nationwide competition, thereby providing an inclusive platform for student-athletes at the national level.

#### (b) Two-Zone Basis

For organizational convenience and competitive balance, the universities may be grouped into two broad zones:

- **North-East Zone** – comprising universities from the Northern and Eastern regions.
- **South-West Zone** – comprising universities from the Southern and Western regions.

#### (c) Four-Zone Basis

The competition may also be structured on a four-zone model, namely:

- **North Zone**
- **East Zone**
- **South Zone**
- **West Zone**

Under this format, universities participate within their designated geographical zone, thereby ensuring regional representation and promoting inter-regional sporting exchanges.

#### (d) Eight-Zone Basis

In accordance with the traditional model, tournaments may be conducted across the following eight zones:

- **Central Zone** – Madhya Pradesh and Uttar Pradesh
- **North Zone** – Ladakh, Jammu & Kashmir, Himachal Pradesh, Punjab, Chandigarh, Uttarakhand

- **East Zone** – Bihar, Jharkhand, Odisha, West Bengal
- **North-East Zone** – Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim, Tripura
- **North-West Zone** – Haryana, Rajasthan, Delhi
- **West Zone** – Dadra & Nagar Haveli, Goa, Gujarat, Maharashtra
- **South Zone** – Andaman & Nicobar Islands, Lakshadweep, Puducherry, Andhra Pradesh, Kerala, Tamil Nadu
- **South-East Zone** – Chhattisgarh, Karnataka, Telangana

This structure ensures more localized competition and facilitates participation by a larger number of universities with reduced travel and logistical constraints.

---

### 2.3 Assignment of Zones

New universities and institutes shall be assigned to zones primarily based on geographical contiguity, subject to approval by AIU. Zone groupings are detailed in **Appendix - I**.

---

### 2.4 Tournament Pattern and Format

(a) The pattern of Inter-University competitions (All India, Two-Zone, Four-Zone, or Eight-Zone) shall be determined annually by the Sports Board.

(b) The decision shall be based upon the number of participating universities and athletes in each sport discipline during the preceding one to two years.

(c) The Sports Board may prescribe any of the following formats:

- **Knockout:** Teams or players compete in elimination rounds; the losing side is immediately eliminated.
- **League:** Teams or players compete on a round-robin basis; rankings are determined by accumulated points.
- **League-cum-Knockout:** Preliminary stages follow a league format, succeeded by knockout rounds among top teams.
- **Tournament Structure:** The tournament pattern for 2025–26 is specified in **Appendix C**.
